CITROËN Ë-C4 ELECTRIC & C4

Smart, serene & stylish

Designed for the joys of family life.
Available in 100% Electric, Hybrid and Petrol.

Model Highlights

PLUS | COLLECTION

Click the trim names to compare features.

ë-C4 & C4 PLUS models include:

Exterior style

Body-colour exterior door handles

18" bi-tone (Orbital Black / Aluminium) diamond-cut "Amber" alloy wheels with anti-theft locking wheel nuts

Tinted side windows with matt black detail

Lion Grey front bumper skid plate insert and black upper grille

Pure Black colour clip

Comfort and convenience

Rear parking sensors and reversing camera with Top Rear Vision

Heated exterior mirrors with electric folding function

Advanced Comfort Suspension - double hydraulic stops on front suspension; single hydraulic stops on rear suspension

High level acoustic insulation pack

Height and reach adjustable steering wheel

Automatic headlights and rain-sensing front windscreen wipers

Electric parking brake

Automatic air conditioning - dual zone

Front and rear electric windows

Dashboard Storage Drawer in front cabin

In-car entertainment

7 inch backlit full-TFT driver's instrument cluster; driver's colour Head-Up Display

My Citroën Drive Plus: 10 inch high-resolution touchscreen user interface, controlling media, connectivity and vehicle settings, with:
- Apple CarPlay™ and Android Auto (wireless or cable connection possible)
- Bluetooth telephone and audio streaming
- DAB Digital Radio
- Six speakers

Connected Navigation: Includes 1 year trial subscription to Connect PLUS - subscribe via My Citroën app, or on https://services-store.citroën.co.uk - Data connection - automatic via Citroën Connect box system

Row 1: 12V power outlet, 1x USB Type-C socket for charging and data connection, and 1x USB Type-A socket for charging

Row 2: 1x USB Type-A socket for charging

Interior features

Citroën Smart Pad Support - integrated support for attaching a tablet computer for front passenger. Requires purchase of the appropriate tablet cradle: universal, Apple iPad Air 2, Samsung Tab A 10.5"

Urban Grey interior ambience: Black ""Hello"" Fabric / Grey leather-effect cloth, Map pockets & Phone pockets on the back of the front seats

Grained leather steering wheel with two command blocks

Raised central console with armrest and two cupholders

Height-adjustable driver's seat with adjustable lumbar support

Height-adjustable front passenger seat

Front and rear interior lighting - LED

Split folding rear seats

Driver and passenger sun visors with illuminated vanity mirrors

Safety and security

Anti-theft alarm

Standard Safety Pack: Active Safety Brake (video assisted); Speed Limit Information; Lane Keeping Assist; Driver Attention Alert 3 with lane departure detection; Forward Collision Warning

Speed limiter and cruise control

Citroën Connect Box Emergency & Assistance System

Hill Start Assist

Puncture repair kit and compressor

Lighting and visibility

LED front headlamps

LED daytime running lights in signature

Welcome and goodbye lighting (illuminates front headlamps on remote unlocking and for limited time after locking)

Model Highlights

PLUS | COLLECTION

ë-C4 & C4 COLLECTION models include in addition to PLUS:

Exterior style

Tinted front side windows; dark tinted rear side, rear quarter and tailgate windows with matt black detail

Contrast black roof (except Perla Nera Black body colour)

Infra Red colour clip

18" black painted "Amber" alloy wheels with anti-theft locking wheel nuts. Brings puncture repair kit and compressor.

Comfort and convenience

Automatic Intelligent Beam Headlights (automatic switching between dipped headlights and main beam)

Electrochrome interior rear-view mirror with automatic day-night switching

Front and lateral parking aid

Heated exterior mirrors with electric folding function and courtesy lighting

Two-position boot floor

Heated steering wheel

Electric versions: bi-directional onboard charger (allows powering of external devices from the car's traction battery through an external adapter kit - sold separately).

Electric versions: Heat Pump - controls vehicle temperature more efficiently and can increase real-world achieved range, particularly in colder conditions.

Interior features

Alcantara Grey Alizée interior ambience with light grey door inset panels. Brings 6-way electrically-adjustable driver's seat (manual longitudinal adjustment) with electric lumbar adjustment and massage, plus manually-adjustable front passenger seat with electric lumbar adjustment and massage.

Map pockets & Phone pockets on the back of the front seats

Rear central folding armrest with cupholders and ski hatch

Electrically heated front seats

Deluxe leather steering wheel with two command blocks

COLLECTION floor mats

Safety and security

Adaptive Cruise Control including Stop & Go

Safety Pack Plus: Active Safety Brake (video + radar assisted - night-time and cyclist detection) Speed Limit Information + Extended Traffic Sign Recognition, Driver Attention Alert 3 with lane departure detection, Forward Collision Warning

*versions sold in Northern Ireland feature Driver Attention Alert Camera

Keyless Entry and Start

Active Blind Spot Detection

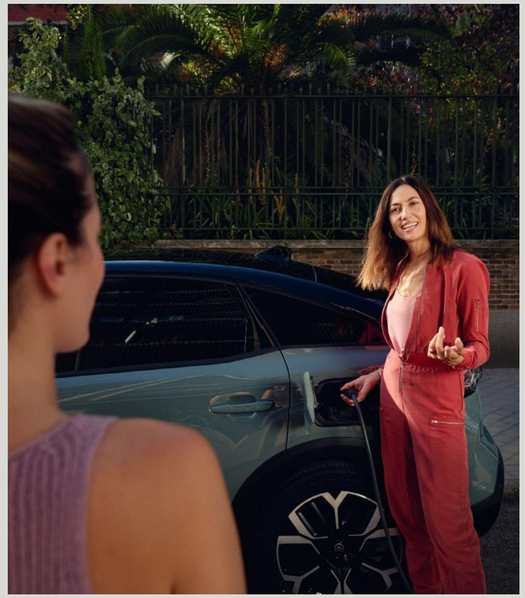
Ease of charging

Battery charging at home, work or at a public charging station is intuitive and easy thanks to indicator lamps next to the charging port which let you monitor progress.



Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO_2 figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO_2 figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO_2 emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO_2 and pricing for vehicles with optional equipment, please click here

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO_2 values of other cars tested to the same technical standard. The fuel consumption achieved, and CO_2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load.

  The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO_2 figures.

* 'On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën Retailer for the most up-to-date prices and specification details for all models.

Equipment

- Standard equipment

Comfort and convenience		
Metropolitan Grey interior ambience - Advanced Comfort Seats with leather-effect and cloth textiles in mid and dark grey. Brings dark grey interior door inserts and armrest upholstery. Please note: features driver's seat with manual adjustment, removing electric adjustment and massage.		£0
Opening sunroof with sunblind. Brings second-row ceiling grab handles.		£790
Electric vehicle options (for Ë-C4 Electric only)		
Heat Pump - controls vehicle temperature more efficiently and can increase real-world achieved range, particularly in colder conditions.	£450	£450
11 kW three-phase onboard charger - offers faster charging only where three-phase power is available[1]	£400	
11 kW three-phase onboard charger - offers faster charging only where three-phase power is available[2]		£400
Vehicle-to-Load adapter kit - allows you to use your car's traction battery to power external devices (that require mains electricity supply) through the charging port whilst the car is stationary.	Consult your retailer for latest price. COLLECTION versions only	

1 Please be aware that this onboard charger works optimally with a wall box connected to three-phase power (unlikely if a home charge point). Using this charger in conjunction with a single-phase power source will not offer any improvement in charging time over the 7 kW onboard charger.

2 Please be aware that this onboard charger works optimally with a wall box connected to three-phase power (unlikely if a home charge point). Using this charger in conjunction with a single-phase power source will not offer any improvement in charging time over the 7 kW onboard charger. Bi-directional capability (can be used for powering external devices with Vehicle-to-Load functionality using adapter kit - sold separately).

Citroën Smart Pad Support™

A retractable support system built into the dashboard lets front passengers secure their tablet safely.

Highway Driver Assist

The semi-autonomous system combines adaptive cruise control (with Stop & Go function) with a system that keeps the vehicle in its lane.

1 Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO_2 values of other cars tested to the same technical standard. The fuel consumption achieved, and CO_2 produced, in real world conditions will depend upon a number of factors: (including but not limited to) the accessories fitted (pre and post registration), variations in weather, driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO_2 figures. These CO_2 figures are used to calculate the Vehicle Excise Duty (VED) for the first registration of the vehicle.
The CO_2 figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

Performance with care for the environment

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

For example, the Citroen C4 PLUS, when specified with the Hybrid 145hp automatic drivetrain, produces 107 g/km of CO_2 white driving, and therefore qualifies for F band of Vehicle Excise Duty.

Company Car Benefit-In-Kind Taxation Charges

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO_2 emissions, measured in grams per kilometre (g/km). The table below shows the percentage of the car's list price to be taxed (P11d value†).

For example a Citroen Berlingo Collection M Petrol 110hp manual has a CO_2 emissions figure of 143 g/km and a P11D value of £24,690 (as of April 2026).

The BIK calculation would therefore be 34% x £24,690 = £8,394.60

Click here for more information about the Company Car Benefit-In-Kind Taxation Charges, or contact Citroën Fleet Connect on 0800 023 4000.

2026-2027 Tax Year:

CO_2 (g/km)	Electric Range (miles)	Appropriate % for 2026 to 2027†
0	N/A	4
1 to 50	130+	4
1 to 50	70 – 129	7
1 to 50	40 – 69	10

Graduated Vehicle Excise Duty (Road Fund Licence)

The Graduated V.E.D. bands classify all new cars into one of thirteen Vehicle Excise Duty bands, depending on their type of fuel and carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). There are two V.E.D. rates, a rate for the first year and a rate for subsequent years.

First license rates for cars registered on or after 01/04/26 based on CO_2 emissions and fuel type:

Band	CO_2 (g/km)	First year rate
12 months		
A	0	£10.00
B	1-50	£115.00
C	51-75	£135.00
D	76-90	£280.00
E	91-100	£365.00
F	101-110	£405.00
G	111-130	£455.00
H	131-150	£560.00
I	151-170	£1,410.00
J	171-190	£2,270.00
K	191-225	£3,420.00
L	226-255	£4,850.00
M	Over 255	£5,690.00

† The new Car's price to be taxed includes:
- Manufacturer's Recommended Retail Price (inc V.A.T.)
- Delivery to Retailer and Number Plates (inc V.A.T.)
- The list price of an option or an accessory (inc V.A.T. plus delivery and fitting charges if relevant). Some exceptions apply but excludes:
- Graduated Vehicle Excise Duty
- Government First Registration Fee

* Diesel cars tested to RDE2 standards.

CITROËN Ë-C4 ELECTRIC & C4

Citroën & You

A network of Citroën New Car Retailers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Retailers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Personal Lease

Personal Lease is an alternative way to enjoy a new Citroën without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local retailer where you can exchange it for a brand new one.

You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Personal Lease offers you an alternative method of funding your new Citroën. One initial bulk advance rental will be required. This is between 14%–16% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from Citroën UK.

Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. All based on a 36 month contract with an annual mileage set at 6,000 miles on C1, C3, C3 Aircross, Berlingo and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

Comprehensive Warranty

Every new Citroën car offers the benefit of a three year* warranty package, plus a 12 year anti-perforation** warranty and a three year paint warranty.

Modern car batteries themselves are largely free of maintenance as they're designed to last the lifetime of the car, or even longer. For added peace of mind, Citroën electric cars come with a warranty that guarantees 70% battery capacity for 100,000 miles or eight years.

* Two years' unlimited mileage manufacturer's warranty. No-fee customer option of one year's Retailer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Retailer provided warranty is limited to 60,000 miles for all passenger vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Retailer every two years from its fourth anniversary.

'Citroën, We Care'

'Citroën, We Care' reflects Citroën's commitment to quality and reliability and consists of an additional 5 years of coverage (after the manufacturer's warranty has expired) activated when you choose to service your new Citroën at our participating Citroën authorised service partners according to our recommended maintenance schedule. It is valid until the next maintenance appointment for up to 8 years and/or 100,000 miles, whichever happens first.

'Citroën, We Care' applies to the following passenger cars registered from 1st June 2025 in the United Kingdom:

• Citroën petrol, diesel, mild hybrids and plug-in hybrids: C3, C3 Aircross, C4 X, C4, C5 X, C5 Aircross, Berlingo, and Holidays

• Citroën Battery Electric Vehicles: ë-C3, ë-C3 Aircross, ë-C4 X, ë-C4, ë-C5 Aircross, ë-Berlingo, and ë-Spacetourer

Citroën Fleet and Business Sales

All Citroën New Car Retailers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aim to provide a 'total transport solution' for all your fleet or business vehicle needs.

If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 0800 023 4000.

Full details available on request. Credit subject to status and to over 18s only. A guarantee may be required. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority. Telephone calls may be recorded or monitored for training or quality purposes.

Leasys

Leasys is the proud Business Contract Hire partner of Citroën and consequently, can provide quick vehicle delivery to keep your business mobile.

Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, Leasys lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation.

Leasys is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA).

For further information, please contact your local Citroën Retailer or Click here.

Citroën Assistance

In response to a free telephone call, Citroën Assistance brings rapid roadside support to you in the event of a breakdown.

For new vehicles, cover comes free of charge for a full year, from the date of your vehicle's registration.

Cover is operational 24 hours a day in all parts of the UK and Europe. Within the first twelve months, the following services are in force: Citroën Roadside Assistance, Citroën Recovery, Citroën Assistance From Home, Citroën Onward Travel, Citroën European Cover. Services include nationwide recovery for both the vehicle and passengers, a home call service, replacement vehicle and hotel accommodation. Cover includes manufacturing defects only. Citroën Assistance is available to be purchased for vehicles in their 2nd and 3rd years, for a one-off up-front payment and includes European cover. For new fully electric vehicles, Citroën Assistance cover comes free of charge for three years from the date of your vehicle's registration.

Full details are available on request from Citroën UK, click here.

Servicing

When your vehicle is due for a service you need just the right mix of unique expertise, surprising value and real convenience. With the Citroën Care Plan that's exactly what you get.

- Scheduled Servicing†
- Brake Fluid Replacement†

Better still, you get the unique reassurance of our Citroën Price Promise that guarantees all work is carried out by trained technicians using only Citroën Approved Parts. You will also benefit from a FREE 22 point vehicle health check and FREE technical updates.

† As outlined in your vehicle's Maintenance & Guarantee Guide. Less than 12,000 miles per annum usage profile, terms and conditions apply. Contact your local Citroën Retailer for details

Maintenance

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

- Scheduled Servicing†
- Periodic Maintenance†
- Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move
- Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel and European Cover
- MOT test fees

Why not add the following option to your chosen package:

- Replacement of worn tyres, including wheel balancing (includes puncture repairs)
- Replacement vehicle whilst yours is being serviced or MOT'd

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts.

For further information, please contact your Citroën Retailer.

Citroën Motor Insurance

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays)

Alternatively, click here for more information or to apply online.

Or click here to contact Citroën directly. Alternatively, for further information, please contact your Citroën Retailer.

Citroën Connected Services

Vehicles equipped with the Citroën Connect box have an embedded SIM card.

This means that as well as safety features, Citroën drivers can subscribe to a range of connected services:

- Real Time Traffic and Speedcam alerts: with live data to enhance the Citroën Connect Nav system
- Remote access to lock or unlock the vehicle's doors from a smartphone
- E-remote Control: remote management of electric vehicle charging and temperature
- And much more!

Service availability depends on the hardware fitted on each vehicle. For more information click here.
